ABOUT THE COURSE

The Certificate Course for Eco Ambassadors organised by the Archdiocesan Office for Environment (AOE) puts into **perspective** the spiritual, theoretical and practical dimensions of the ecological crisis. The goal is to create ambassadors of transformative change who will take forward the **ecological mission of the Church** in the Archdiocese of Bombay.

153 Eco Ambassadors in the Archdiocese have received certificates across all batches.

Who Should Join

- All involved or interested in the creation care ministry in the parish / community / deanery
- Anyone interested in a Catholic perspective on the ecological crisis and stewardship
- Those in seminary / religious formation

Course Requirements

Participants shall attend all three days of the course, complete one assignment and implement one project (at parish/community-level) in order to receive the **Certificate**.

Venue

11th & 18th October

Carmel of St Joseph High School, 106, Marve Road, Malad (W)

25th October

Vinayalaya Retreat House, Gundavali, Andheri (E)

FEEDBACK FROM ECO AMBASSADORS

The course gave me the confidence and tools to take meaningful action – **Gladwyn**, 2025 batch

The course content was comprehensive and informative, every lesson has reinforced the importance of being responsible, conscious, and active citizens – **Sophia**, 2024 batch

Guest lecturers did provide diverse perspectives, shared practical experiences, unique insights to enrich learning experience – **Jill**, 2023 batch

The course gave not only an overview of the current socio-environmental crises but also a deep dive on how we as Catholics should love and have respect for the creation and practice sustainable living to undo the damage to the earth – **Reynold**, 2022 batch

I realised where we are heading to if corrective action is not taken, and the action to be taken is **RIGHT NOW**. My parish did not have a green cell/ team... I couldn't have found a better way to begin than my parish – **Jasmine** 2021 online batch

The course empowered with the knowledge of both – environment, sustainability and the intent of the Church – **Allan**, 2019 batch
